科目：英文寫作

第 1 頁，共 1 頁

注意事項：不必抄題，但請依序將題號標出，並寫在答案紙上，否則不予計分。

Directions: In our daily life, plastic made a considerable impact and we are heavily dependent on plastic products. There are several advantages with plastic which can't be compared with others. However, the more people make use of plastic items, the higher the rate at which they accumulate the amount of garbage on the planet. In your opinion, what should people do when it comes to plastic use? Please write a five-paragraph essay to explain and support your ideas.
